October 2nd, 2023 Meeting Minutes

The Castlewood City Council met on the above date at 7 pm with the following members present: Mayor Brian Ries, Jeanette Bohls, Heather Schmit, Stef Goldhorn, LeeAnne Dufek and Chad Ries. Also present: Logan Kool, John Schmit, Doug Gerhold, Justin Bucher of Banner, Travis Steffensen of Sioux Rural Water, Jamie Riley, Sherwin Dekam, Stephanie & Greg Dobbs, Dale & Sharon Hattendorf, and Dave Wernke.

The meeting was called to order by the Mayor and the pledge of allegiance was led by the Mayor. The agenda was presented. A motion to approve the agenda was made by H. Schmit and seconded by Dufek, all member's present voting aye and the motion passed.

Dave Wernke presented his public comment later in the meeting to discuss weed eradication efforts at this property, Wernke would be placed on the November agenda to further discuss with council.

A motion was made to approve September meeting minutes by Dufek and seconded by Goldhorn. All members present voting aye and the motion passed.

A motion was made to approve the bills for October with the addition of square merchant fees for the golf course of \$494.70 in August by Dufek and seconded by C. Ries. All members present voting aye and the motion passed.

Mayor Report. None.

Finance Report. Kool provided council with the bank reconciliation for September to show that the accounting software accurately reflects the bank statements. Kool also provided council a list of payroll from September for August wages as payroll for October for September wages was not completed yet. Kool mentioned the City received \$110,000 in ARPA monies for the water systems improvement project thus far and is still waiting on an additional \$198,000 from the State.

Maintenance Report. All water lines were hooked up and completed with 605 Companies it is just a matter of surface restoration now and the water systems improvement project will be totally complete.

Golf Report. Gerhold talked about wrapping up the season at the City golf course. He would be cleaning out the pond and putting in crushed concrete himself. A couple cottonwoods would need to come down which would be hired out. Gerhold was going to start a steel post and cable project to keep carts on the golf course. Players would still be allowed to walk onto adjacent landowner property to retrieve their golf balls. Gerhold would put up the cable system himself this fall on Garvin Drive and start again in the spring as the goal would be to cable most of the course.

Final Plat Approval 116 N Pine Dobbs. A motion was made to approve Lots 1 & 2 Dobbs Addition by Dufek and seconded by Goldhorn. All members present voting aye and the motion passed.

315 E Merrill St Fence. Brandon and Kaylee Smith requested a variance of 23 feet on their front yard to rebuild a 6 foot fence that was constructed prior to the tornado. A motion was made to approve the variance by Goldhorn and seconded by Bohls. All members present voting aye and the motion passed.

Councilman Ries arrived at 7:20 p.m.

Engels/Riley Setbacks. Jamie Riley provided council with a couple different options to build a shop house on their property located southeast of the intersection of HWY 22 and Third Avenue. The options included deeding Outlot E to Engels/Riley. Council thought outlot E would need to be deemed surplus property and undergo a competitive bid process. Kool would confirm with Wilkinson. Option two would be to vacate Outlot E with the exception of the first 60 some feet of third avenue so that the landowner on the southwest corner of HWY 22 and Third Ave could access his property. City Finance Officer would check with Wilkinson to see if all of the adjoining lots would need to be replatted at the landowner's expense and what verbiage would need to attach to the deeds as the lots would be unbuildable. Option 3 would be to grant a variance to allow Riley to build on the foundation of the shop that the tornado took. Further discussion on this matter would take place after some answer from the city attorney.

Sioux Rural Water. Travis Steffensen encouraged council to make a decision on the controls for the SRW building so that we could continue to move forward. Justin Bucher of Banner presented Banner's recommendation of using the existing overhead valve control wires at a cost of \$30,899.00. Travis Steffensen recommended council go with the more expensive option of \$49,994.00 via an antenna to use radio communications to monitor and control the meter station from In Control whom Sioux Rural Water had a great relationship with. A motion was made to accept the bid proposal of \$49,994.00 from In Control by Dufek and seconded by Bohls. All members present voting aye and the motion passed.

Prairie Street Road Project. Justin Bucher of Banner provided council with plans and the design of the Prairie Street Road Project. First the city would need to obtain easements from all adjacent landowners to move forward with the project, among many other challenges. The estimated cost for the Prairie Street Road Project would be upwards of \$175,000 to complete. Council instructed Banner to provide a capital improvement plan to include Prairie Street for the future.

Change Order No 2. 2 inch pipe was located under second avenue that should have been 6 inch the change order was to replace this between 1^{st} and 2^{nd} . Looping the lines on 6^{th} and Merrill St was cancelled so that the more important job listed above could be completed. A motion was made to approve the second change order of a \$694.50 increase of the total bid by H. Schmit and seconded by Dufek. All members present voting aye and the motion passed.

2nd Reading Appropriations Ordinance 23-18. A motion was made to approve the 2nd reading of Appropriations Ordinance 23-18 by Bohls and seconded by H. Schmit. All members present voting aye and the motion passed.

ORDINANCE #23-18 2024 APPROPRIATION ORDINANCE

Part I: Be it ordained by the City of Castlewood that the following sums are appropriated to meet the obligations of the municipality:

Estimated Surplus	77,505	70,938	0
Estimated Surplus to be transferred	-0-	-0-	-0-

PART III: The following is a summary of those funds for which spending authority has been approved by the Electorate:

PART IV: The Finance Officer is directed to certify the following dollar amount of tax levies made in this ordinance to the County Auditor: FOR GENERAL PURPOSES: \$333,000.00

ATTEST:	Mayor	
Logan Kool, Finance Officer		

First Reading: September 6, 2023 Second Reading: October 2, 2022 Pearl Street Painting Project. Kool and J. Schmit met with Traffic Solutions the week prior to measure the surface area available to paint. There was only 24 feet to work with and so two lanes and a hatched portion would not be feasible. Council decided on a 4-foot-wide fire lane painted on Pearl Street all the way from 3rd ave to 4th ave with white lettering and red hatch marks. As well as 3 signs that stated Fire Lane, No Parking Anytime, Strictly Enforced. They thought the fire lane would catch people's attention more and deter them from parking on the North side of Pearl Street.

Holiday Décor. A motion was made to match the \$5,000 leftover from the Historical Society to beautify the city for a total of \$10,000 and any additional required for electrical to decorate streets for the holidays by Dufek and seconded by Goldhorn. All members present voting aye and the motion passed.

3rd and Alice Intersection Traffic and Children. After construction crews move out of the city the traffic situation at 3rd and Alice will be reevaluated at a later date to determine the best solution.

Other Old Business-Dugout Concrete Purchase. A motion was made to approve the purchase of concrete at a cost of \$1500 from GCC for the baseball field dugout by Bohls and seconded by C. Ries. All members present voting aye and the motion passed. Council discussed the old scoreboard at the ball field, they would like to see it taken down, deemed surplus property and sold, the purchaser would be responsible for taking it down and storing it elsewhere.

Moved in Sheds- Hattendorf, Rudebusch, Mack. Hattendorf's at 302 S 3rd ave. had plans to move a brand new shed from Old Hickory Buildings out of Pipestone over \$5,000 onto their rental property and would remain five feet from the edge of the property lines. Rochelle Rudebusch at 320 E Alice St had plans to move a brand new shed from Dakota Storage Buildings Watertown over \$5,000 on her property and would remain five feet from the edge of the property lines. Shane Mack at 402 E Main wanted to move the already existing shed to 209 E Alice and would remain 5 feet from the property lines. A motion was made to approve all moved in shed permits by C. Ries and seconded by Goldhorn. All members present voting aye and the motion passed.

Mediacom Franchise Agreement. A motion was made to approve Mediacom's Franchise Agreement at 3% of all cable tv sales in city limits by Dufek and seconded by H. Schmit. All members present voting aye and the motion passed.

Lead & Copper State of SD Project. The Mayor just wanted to let everyone know that this lead and copper project was a statewide initiative passed down from the Feds to the State and now to the Cities to handle. Many were concerned about having copper pipes and that is why the magnet and scratch tests are done to determine if the copper pipes contain lead. The city will keep the public updated as much as possible but for right now all the information we have is to complete the survey. There is a lot of good information in the fag's section at https://www.sdwaterpipes.com/

A motion was made to adjourn at 9:00 p.m. by H. Schmit and seconded by Bohls. All members present voting aye and the motion passed.

Logan Kool Finance Officer
